Institutions Best Practices

Government Minimata Girls College, continuously making efforts for the progress of the students through various programs and practices which is beneficial to the society. Some are given below –

- College has “**Samajik sahayata prakosht**” which help to support a Female education financially.
- **NSS and Youth Redcross Society** Unit in the college campus to link students with the society and learn Human ethics.
- Encouragement to read more and more books from the library [Book learning habit is imparted to students].
